THE WIFA'S SECRET.

How One Man was Cured of Jenlousy. sixteen years without entertaining that of a street which commanded it, now trying passion, so that it was not very likely, how-to dig up the tope of the coal cellars by department or do into of Manhood, Indigention, Wests.

From the dollar of Manhood, Indigention, Wests.

Manly, Power; the griet flooral Fril, and those with another man Manly, Power; the griet flooral Fril, and those of maturity, and ignorance of Physiology and particularly (with all deference to Miss Anna Dia kinson), where the husband is a black man, and, as I have said, besitting among of maturity, but upon the Notting Hills side of or every and particularly (with all deference to Miss Anna Dia kinson), where the husband is a black man, and, as I have said, besitting among for live got her locked up in the man, and, as I have said, besitting among from the police makes you. I know who to the window stood a gentleman with moust fore the police makes you. I know you, althrugh you for the police makes you. I know who to the window stood a gentleman with moust fore the police makes you. I know who to the window stood a gentleman with moust coming, for I've got her locked up in the man, and, as I have said, besitting among of quality; but upon the Notting Hill side of Bayawater any such mischance would, I felt, be out of pitce and ridicularly would be a policy and ridicularly would be a presumption, as well as a grave domestic crime I magine, therefore, my astonishment when my opposite neigh my astonishment when my opposite neighbor, Mr. Peabody, who also calls himselfmy friend, did me the honor to call upon me a few weeks ago, to speak in confidence mean, who never saw a shot fired in his life; my friend, did me the honor to call upon me a few weeks ago, to speak in confidence of the alarming conduct of my wife. Having demanded and obtained a private interview, this scandalous old person, who ing demanded and obtained a private interview, this scandalous old person, who
was ones an indigo merchant, and yet retains the trade of his palling upon his nore,
set before me in detail a number of curious
circumstances connected with "goings on,"
as he was pleased to call them, of my wife,
which ha was not, indeed, prepared to say
"might not possibly be only coincidetoes
after all," but which he felt it his duty, as
if allow creature, and one who had been

ifellow creature, and one who had been a husband in his time—here his lips made a dumb motion of gratitude—to let me know. Even as a neeghbor, and an lababitant of a common Creicent, hitherto remarkable for its respectability, and which, I doubtless remembered, had declined to permit Mrs. Jones to put up "Apartmenia" in her window lest we should be confounded with the lodging-houses localities; nay, which, by the mere force of its public don't know where she's going to, but the opinion, had prevented No. 484 from being let to a play-actor—even in this charifellow creature, and one who had been with a flower in her hair! This blow, nom-

conductto be adopted in such exceptionable circumstances, and parhaps from the knowledge that there was nothing but a knowledge that there was nothing but a scarlet as her cap-strings.

Emity Jane, who had been in our service ever since we were married, turned as scarlet as her cap-strings.

o'clock, three days a wack, your was a out in a cab by kerself?"

"No," said I, "I do not; though, if she does, it is sarely better then if she had an insligible companion. As a matter of withering scorn to the perambulstor, "how comes this here? No, Emily Jane; your fact, however, she does not do so; for I comes this here? No, Emily Jane; your mistress must have taken out with her day the same two children that she took have chared to go shopping with her twice mistress must have taken out with her this week, and she has declined to secontainly the same two children that she took pany me upon the ground that she had a on Menday and on Thursday, when her oro throat. Some throat was no bad that she could not go out with me. "Yes, sir," replied she, "it was the same

cuse I inquired Peabody, taking out his Ewo. "Last Monday and last Thursday," re-"Emily Jane," said I, solemnly, "always tell the truth. I know all, Where is your " Well, here's a memorandum: Monday, mistress gone to, all by herself, to-day, with \$th-Saw Mrs. R. start, as usual at 11; her hair so neatly arranged, and a flower Thursday, 7th, ditto, ditto. She could not stuck in the 19th hand side of her head, and

be going to a merning consert, because that after telling me she was too busy to she had no morning gloves on."

I will grant that much," quoth I sardier telling me she was too busy to move out. Concestment is worse than used less. Where is she?"

Wild horses shouldn't do it," returned "Yery true," observed Peabody, "Then the question arises, where does not go to morning concerts."
"Very true," observed Peabody, "Then the question arises, where does also go to?
Now as an it habitant of the Creecent—"
"Peabody," interrupted I, soverely, "I Here, to my confusion, Emily Jane cast the account of the control of the contr

down in my parlor with my clows upon but opened the front door with my own my table, and both my hands thrust late hands.

and without white gloves, and-confound but to submit. What could Anna Maria here was a row in the pantry, and one be doing with telegraphs? "From Rupert thich my peace of mind demanded to Merrington, 6 Cupidon Villas, St. Joha's wood. Pray be punctual this time. 1 am have cleared up at once. Anna mark oried I, huskily, from the bottom of the stairs, "Anna Maria, I wish to speak with you immediately."

At "Lor' bless ma," answered my wife, "There's somebody in the house with

from the top story, "it isn't one of the children, is it, John! Pray tell me the secret at once."

"No, it is I," replied I stiffly.

"There's somebody in the house, I binab, there's somebody in the house, "Then it's the kitchen chimney," ex-What could this dreadful message mean, or rather what meaning could it have but one? Rupert Merrington! not at all a steady sounding name, to begin with; the sender, too, was evidently no business man, or he would not have claimed she, in a dogmatic tone. "And didn't I tell Mary to have it swept a week ago; and now the fire engines will spoil averything, even if we are not burnt out of bouse and home."

Was it possible the woman could have or he would not have exceeded his twenty wards so foolishly. It had a military smack deceived me, as Peabody had said, and yet talk so simply of her children, and of house and home? By the time Anna Maria had got down to the drawing room flight, I began to be rather ashamed of myself. When the mother of eight reached my selfting room door, with her honest ed my sitting room door, with her honest face aglow with animation, and her voice so earnest about the soot, I did not dare to mention what I had in my mind.

"I called you down, dear, to say that I was going to give myself a holidsy to-day, often read descriptions of it in novels which and to ask you to go with me to Hamp- processed to describe aristocratic life, and stead Heath, and dine at Jack Straw's cashad often seen upon the stage (although tie this afternoon, it being such a beautiful principally in farces) the busband racked by jealous pangs. What had there been to laugh at in the A ray of joy passed over her features,

and then, as if recollecting herself, she be-gan to stammer that she was very sorry, est emotions of the human heart be made the subject of buffoou ... But what a wickday week, which was my birthday, then we would go somewhere, and she would a specially street and specially street and specially street. -and especially stucco-can look vicious, certainly St. John's Wood possesses a paerjoy it above all measure. This after certainly to noon, however, the thing was impossible tent for-

out really she had so much to do about the nouse just then; if I would wait till Fri-

Ah, what a tangled web we weave,

see whether Mrs. R. would cross the three

"What number, sir," shouted my driver "Well," said I gravely," "we have not many holidays together, and I am sorry. through the little hole in the roof; "this is You had a sore throat on Monday and Thursday when I offered you a similar op-Cupidon Villas." "I am sorry to hear it," groaned I, pass-ng my pocket-handerchief over my brow.

"Oyes," answered she shaking her little "Den't mind me, my good man, (for his head, which is very prettily—could it be countenance evinced much dismay at my too prettily?—set upon her shoulders; "it voice shd manner;) I know it is not your fault that I am miserable. Please to pull up at No. 6."

Of all the wicked looking houses in Cu-

"Here," thought I, for she could not have gone out without that throst; "is pidon Terrace, No. 6 was, it seemed to me some dreadful falsehood; but Peabody may the wickedest. The round eye which the wickedest. The round eye which tave told it, and not she. Perhaps she never went out at all. Should I not rather believe the wife of my bosom than that scandalous old retired indigo merchant? Was it not even base even to suspect Anna mittance, which was a little grating to me Maria of deception? Doubtless it was, but yet I thought I would just satisfy This latter circumstance gave me some myself with my own eyes "

"Very well," observed I quietly, "since you cannot come with me to-day, I will go gay attire of the servact girl who answerto the city as usual. I don't care for a holiday by myself."

consolation. "Is Mrs. R within?" to iday by myself."

"Poor dear fellow," said Anna Maria quired I with a tone of indifference.

coaxingly, as she helped me on with my "Well-yes, sir-but you can't see her great coat, "I am quite grieved to dissp- just at present. Mr. Merrington has a great of jection to"—
"Confound Mr. Merrington!" cried I, coint you. Good by, John. Mind you neve a good luncheon; it's bad for you estpushing my way in. I wish to see my

"Ah, what a tangled web we weave, says somebody, "when first we practice to deceive," though after all with but a little trying, there's nothing easier than lying trying, there's nothing easier than lying and please, although it's as much as my place is worth. You will find them in the drawing-room.

What! there!" exclaimed I passionately, pointing to the closed windows. held. I suppose I have none of the attri-butes necessary to the profession of a de-"Yes, of course, sir! That's the room they always six in." "They always sit in? Then this sort of

tective, for whenever a passer-by cast his eyes on me, I felt like blushing all over, thing must have been going on for years!"
I cleared the two little flights of stairs and hanging my head on one side, as a dog hangs his tail. I dared not, of course, stop in a couple of bounds, and hurled open the drawing from door like a catapult.

I found myself in a large apartment darkened, indeed, upon one side, but well in the Crescent, but loitered at the corner passion, so that it was not very likely, however well acted, that that passion should entertain me. Misunderstanding! The their circular holes, and now eliciting the nexzle of my umbrella in the tent of the house) at its northern end, their circular holes, and now eliciting mournful music by dragging it against the promised to be a "row in the pantry"—and every man will understand me when I make use of that metaphorical expression—I brought it to a head, and had it out, and off we started again (speaking of self and Mrs. R.) on the smooth current of our lives with the little fracas buried forever in its depths. As for the mother of eight children falling in love with another man "said she in a menacher voice "beck."

*Now, yeu just go away, my gentle-children falling in love with another man "said she in a menacher voice." be-

meant my picture to be a pleasant sur-prise to you upon your birthday next week.

g likeness!"
"Well, it's not in a very good light, you well, it's not in a very good light, you soe," rejoined he depreciangly. Not having a room with a sky-light, I am obliged to block up these windows, and manage how I can. It makes the house dark, and, I am afraid caused you to stum-

opinion, had prevented No. 484 from being let to a play-actor—even in this character, said Peabody, he would, have felt it his duty to make me aware of what was being said, though doubtless falsely, respecting the behavior of Mrs. R. Here I should have locked that door, and informed Peabody that that his last hour had arrived, and that he had better make his peace with Providence before I cut his throat; but from ignorance of the proper throat; but from ignorance of the proper of whether the fl wer in her hair was an im-

provement or not.
But I knew that Emily Jane would tell paper knife in the room with which to at feet the righteens punishment, I only burst out laughing, and called him a needding and impertinent fool.

"Yery true," returned he, for he always makes use of that form of words—'very true; but still the facts are worth investigating, even from their singularity. Do you know, for instance, that at eleven y'clock, three days a wack, your wife goes o'clock, three days a wack, your wife goes o'clock three days a wack, but the two your wack the true was a

"Oh, dear, no, my darling! Jealous of you? Impossible! Not, of course, that you are not beautiful enough to make all the world fall in love with you; but I never drammed of such a thing."

"That's all right, dohn," said she, hissing me; but there was a wicked twinkle in her kind eyes, as she added dryly: "I am giad to hear you say that, for, do you know, my dear. I aimost thought you were just a little jealous."—Chamber's Journal.
